## TITLE

### DELUXE SKATE SHOP

#### RATIONALE

Shopping for goods and services online offers myriad benefits, such as efficiency, convenience, and greater selection, as well as potentially better pricing than what you'd find in a brick-and-mortar shop.

By creating this website this will help people especially those that do skateboarding buy stuff without worrying to travel far just to get some skateboards and other skateboard stuffs all they have to do is just go to this website and just choose products they like.

#### GENERAL OBJECTIVE

To manage all the information about:

- Shopping
- Products
- Customer
- Internet

#### SPECIFIC OBJECTIVE

- List of items
- Events and Promos
- To guide customers, find/choose quality decks

#### FEATURES

DELUXE Skate shop enables the customer to browse the firm's range of products and services, view photos or images of the products, along with information about the product specifications, prices and features to find specific models, brands or items.
